

Diesel Heater

Efficient Heating for Every Explorer

100-02800

BORN TO ROAM 2KW Bluetooth Diesel Heater Kit (WITH 5L TANK)

Featuring **Bluetooth** connectivity for easy smartphone control, this heater lets you manage your warmth with just a tap.

The user-friendly **LCD panel** and **Remote** offer three modes—fan only, manual heat, and smart mode—ensuring personalised comfort.

Installation is a breeze with a specially designed mounting plate and detachable pump power.

Safety is built-in, with high and low voltage protection, plus an auto cool-down feature for peace of mind.

A **5L** stainless steel fuel tank and ultra-quiet pump ensure reliable, uninterrupted heating.

RCM certified and packed with everything you need, this heater is ready for the Australian outdoors.

Stay cosy wherever you roam with the BORN TO ROAM Diesel Heater Kit!
