HEAVY-DUTY SLIDE OUT TRAY

The slide-out tray elevates your RV experience by offering effortless access to stored items, eliminating the frustration of hard-to-reach spaces.

With a robust 125 kg capacity, it handles substantial loads and meets various storage needs with ease.

Crafted from high-quality aluminum and powder coated in Interpon Textura Black, it ensures long lasting performance.

Proudly made in Australia, this tray supports local manufacturing while delivering exceptional quality and reliability.

Discover Premium Convenience
with Your RV's Best-Kept Secret!

Ergonomically designed, this slide-out tray requires just a simple pull for smooth access, making it a practical and convenient addition to your RV
