Awning Flap Eliminator

Includes Storage Bag

Introducing the game changing Coast RV Awning Flap Eliminator. Engineered to conquer wind flap and provide a waterproof attachment for awning walls and privacy screens, this kit ensures a stress-free experience on your RV and camping adventures.

Effortless to install with the included brackets and instructions, the Awning Flap Eliminator features a full-length clamp that stabilizes awnings, reducing potential damage in gusty conditions. Its integrated sail track simplifies wall attachment, delivering a wind and waterproof seal.

Tailored for roll-out awnings, the Awning Flap Eliminator's smart design enhances awning stability, minimizes water pooling, and transforms outdoor spaces, adding serenity to your RV adventures.
