## RANGE

## MAXXFAN PLUS & MAXXFAN DELUXE

MaxxAir has been manufacturing ventilation systems for the Caravan and RV market since 1988. Exclusively available through Coast to Coast, the MaxxFan Plus and the MaxxFan Deluxe ranges offers both manual or electric opening options. The MaxxFan range also comes equipped with a user-friendly features such as ceiling-mounted control panel, remote operation and rain sensor auto close function. MaxxFan simplifies RV ventilation like never before.

### Key Features:

**Powerful 10-Speed Fan Motor:**
Enjoy efficient and customizable ventilation with options for "intake" and "exhaust" modes.

**Lid Operation:**
Available in manual or electric models with rain sensor technology and remote control.

**High Airflow:**
Provides over 900 CFM, ensuring a cool and comfortable living space.

**Removable Flyscreen:**
Easily clean the flyscreen by twisting the L-clamps for removal.

**Universal Installation:**
Fits all standard 14" x 14" (356mm x 356mm) roof openings.
